

Serial No. 10/629,408
Ratasuk et al.
Case No. CE10274R

REMARKS

Reconsideration of the above-referenced application is respectfully requested in view of the above amendments and these remarks. Claims 1-6, 8-11, 13-17, 19 and 21-27 are currently pending.

Together with this Preliminary Amendment, Applicants file a Petition to Withdraw From Issue under 37 C.F.R. § 1.313(c)(4) and a Request for Continuing Examination in accordance with 37 C.F.R. § 1.114. In reviewing the claims during the regular course of business, Applicants noticed that the definition of β within the claims required further definition. Applicants have made this correction by way of the amendment to independent claims 1 and 21. No new matter is entered, and adequate disclosure is found on page 9, lines 5-12.

As the Applicants have overcome all substantive rejections and objections given by the Examiner and have complied with all requests properly presented by the Examiner, the Applicants contend that this Amendment, with the above discussion, overcomes the Examiner's objections to and rejections of the pending claims. Therefore, the Applicants respectfully solicit allowance of the application. If the Examiner is of the opinion that any issues regarding the status of the claims remain after this response, the Examiner is invited to contact the undersigned representative to expedite resolution of the matter.

Please charge any fees associated herewith, including extension of time fees, to 50-2117.

Respectfully submitted,
Rapeepat Ratasuk et al.
